

Prayer for new Priests

At the end of December 2014 Fr Stephen Wayoyi leaves us and at the end of January 2015 Fr John Hill retires, currently there are no priests to replace them, so as a parish we need to pray with all our hearts that new priests be speedily granted to our parish:

Almighty God, Heavenly Father upon whom we depend for all good things, please provide for our parish of St John the Baptist Woy Woy, now and forever, holy parish priests and assistant priests, who will faithfully speak Your true Word to us, and joyfully and generously minister Your life-giving Sacraments to us. Grant to us priests with gifts of wisdom and encouragement who will equip Your people for ministry and enable us to completely fulfill the callings You have upon our lives.

Please give to those who will choose, our bishop and his advisors, Your Holy Spirit's precious gifts of wisdom, discernment and patience, and to us warm and generous hearts to welcome the priests You send us, and all the graces we need to be able to effectively support them in their priestly responsibilities.

All these things we ask of You, Most Merciful Father, through the life, death, and resurrection of Jesus Christ, Your Son and our Redeeming Lord, Amen.

Our Lady, Help of Christians, pray for us.

Our Lady, Star of the Sea, pray for us

St John the Baptist, pray for us.
